ELITE TRAINER

WHAT ARE POKEMON BOOSTER BOXES?

Pokemon Booster Boxes are a type of packaging for Booster Packs. A Booster Box contains a fixed number of Booster Packs, usually 36 packs per box. Buying a Booster Box allows you to purchase a larger quantity of Booster Packs at once, with a slightly lower per-pack price, and also provides a higher chance of getting rare cards. However, buying a Booster Box is not good if you want one specific card.

WHAT ARE ELITE TRAINER BOXES?

The Elite Trainer Boxes are possibly the best way to dip your toes into the game, as they contain a lot of content. They include booster packs, sleeves, dice and coin, and anything you need to get started. They also come with fantastic designs on the boxes, which double as a cardholder once you empty them.
