## Testimonials

I loved it on the website, it's even better in real life. The colour, the detail and it's massive.

@emilechembro  
w

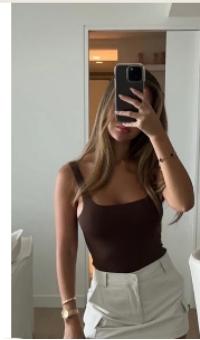

This mirror is a literal dream, boardered with the softest suede fabric it adds texture and movement to our space.

@ftq.nailartistry

I've never seen a mirror this big, its going to go in my bedroom, I am so so happy with it!!

## Our Story

Welcome to the world of Mirrors by Reflect. In our search for the secret to perfecting any room, we've discovered the reason why our mirrors are a favourite among our customers, and it's not just about size or materials. It's about how our mirrors make you feel every day. From becoming the centrepiece of your space to being the only piece of furniture that smiles back at you, our mirrors embody a unique sense of pride and joy.

Our commitment to offering large and unique sizing options, coupled with premium quality materials, ensures that your mirror remains a timeless centerpiece in your home or business for years to come. Experience the pride of looking in the mirror and loving what you see.
